This catalogue has been prepared by a representative of the Plants Plus NSW buying group. Stores listed herein are independent businesses that are members of the Plants Plus group and trade under the Plants Plus banner. All stores may not be participating in this promotion. See the panel on this page for your nearest participating store. Prices stated are recommended prices and stores are free to charge below these prices. Prices stated do not include any freight charges and which participating stores may incur and choose to pass on to customers. Participating stores may add freight charges into the price they charge to customers for any of the products featured in this catalogue. Those stores will inform customers of this in-store. Please be aware that due to the extensive range and physical size of the products displayed in this publication, many products, sizes and colours shown may not be in stock in all participating stores but can be ordered upon request. If a specific product becomes unavailable during the sale period every effort will be made to provide an equivalent product at the same price. Unless otherwise stated, accessories shown are not included in the price. Each store reserves the right to limit quantities sold to any one customer. All sizes shown are approximate only. We reserve the right to correct printing errors. Due to the printing process, colours may vary to the actual item. Actual grown product may vary from images.

Advanced examples and mass planting shown for effect. Products in this catalogue not marked as packs are bare rooted. These offers remain valid until Sunday 22nd July 2018 or while stocks last.
